

## What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion. **Dr. Pierce's Golden Medical Discovery** is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath. A glance at its formula will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of the following native American forest plants, viz., Golden Seal root, Stone root, Black Cherry bark, Queen's root, Bloodroot, and Mandrake root.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of *American Dispensatory*; Prof. J. M. Scudder, M. D., Author of *Specific Medicines*; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of *Materia Medica* and Prof. in Bennett Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authorities and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. They may be used in conjunction with "Golden Medical Discovery" if bowels are much constipated. They're tiny and sugar-coated.

## One of Wisconsin's Mothers

Mrs. Alvina Plamann.

## Who Always Keeps Peruna in the House.

"I am now able to do my housework again, and have a good appetite. I have used thirteen bottles of Peruna and one of Manalin. My husband and children are also in good health. We always keep Peruna in the house. I thank you a thousand times for your advice."—Mrs. Alvina Plamann, 1914 Walnut St., Milwaukee, Wisconsin.

If any one really wanted to find out whether or not Peruna is good for the baby who would he naturally ask? Some one who never used Peruna? Some one who is prejudiced against Peruna? Some one actuated by selfish motives who is opposing Peruna for the sake of the notoriety?

Would any sane person who really wanted to know about Peruna ask any of these people? Of course not.

Who would they ask? They would ask mothers who have raised babies and used Peruna for their babies times without number. They would ask the parents who love their families, and know more about Peruna than all the professional writers in the world.

Above we give the portrait and testimonial of one of the mothers who has used Peruna, and who has raised healthy and happy babies. We have many more such mothers in every state in the Union. These mothers give their testimonials entirely unsolicited, without pay or expectation of pay. Their only desire is to point out to other mothers a useful and reliable family medicine.

## A LIBERAL OFFER

Crenshaw & Young Guarantee to Cure Dyspepsia. If They Fail, the Medicine Costs Nothing.

To unquestionably prove to the people of Lexington that indigestion and dyspepsia is curable and that Rexall Dyspepsia Tablets will effect the cure, we will furnish the medicine absolutely free if it fails to give complete satisfaction to anyone giving it a trial.

The remarkable success of Rexall Dyspepsia Tablets is largely due to the new and successful method of manufacture, whereby the well-known properties of Bismuth, Subnitrate and Pepsin have been combined with carminative and their agents. Bismuth Subnitrate and Pepsin are recognized by the entire medical profession as specifics for acute indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is manufactured by a new process which develops its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid, and exerts a tonic influence upon all the glands which supply all the other elements necessary to proper assimilation and digestion.

The carminatives add properties which promptly relieve the disturbances and pain caused by undigested food.

The perfect combination of these ingredients make a remedy absolutely incomparable and invaluable for the complete cure of indigestion and dyspepsia.

We are so positively certain of this that we sell Rexall Dyspepsia Tablets on our own personal guarantee that they will either cure you or cost you nothing. Three sizes 24, 45 and 80 cents. Sold by Crenshaw & Young.

## A Correction.

It was stated in Friday's issue of this paper that William T. Merrill of St. Louis had died there Thursday. These facts were taken from the telegram received announcing the death. It seems that a mistake occurred in the transmission of the telegram and it was learned this morning that it was Mrs. William T. Merrill that was dead. The body arrived Saturday and was buried from the train.

## Good Program at Elks.

The program given at the Elks' club Monday evening by Miss Elsie Brown, reader, was one of the most delightful entertainments of the kind ever heard in Lexington. Miss Brown is clever and versatile, and she has a

personality that is most attractive. Her vivacity and enthusiasm keep up interest as long as she reads. The audience was small, but enthusiastic.

Charles Kinkadee was in Wellington Tuesday.

B. C. Drummond was in Wellington Monday night.

Miss Marguerite Bates spent Tuesday in Kansas City.

L. W. Marshall went to Kansas City Tuesday morning to spend the day.

## CADETS BEAT MIDGETS

Take a Fast Game of Basket Ball From The K. C. A. C. Saturday.

In the fastest game of basket ball seen for a long time on the Wentworth court the cadet five took a plum from the K. C. A. C. at a score of 30 to 22. The good playing was made possible by the strict rulings of Referee Cannon of Kansas City. He was quick and correct on calling fouls and penalized every instance of rough play. He awarded the visitors two free points and the cadets one. He called four fouls on the crowd for questioning his decisions.

The Wentworth team played infinitely better than it did a week before against Warrensburg. Garce shot baskets with the deadliest accuracy and Hoge several times dropped in the ball at the proper psychological moment. Wentworth made 13 baskets while the Midgets made only five. It was on fouls that the visitors made their best showing. Randolph, who was substituted for Moore in the second half, made seven fouls, nearly every one of which gave the Midgets a score. Brownell and Summers did the clever work for the visitors.

The line up:

WENTWORTH	MIDGETS
Hurley Forward	Brownell
Garce Forward	Gibson
Hoge Center	Dennis
Littlefield Guard	Summers
Moore Guard	Fogel
Randolph

## Quartette Delights.

The William Jewell Quartette, which was the attraction at Lexington college Monday evening, was a continual delight from the first number to the last. It is an extremely good male quartette, all the members possessing excellent voices which blend harmoniously. The selected program was long and varied, but was considerably lengthened by the unusual number of encores the quartette received. The program ranged from the extremely laughable to the sacred and all the pieces were rendered with versatile talent. Half of the program was carried by Miss Georgia E. Riley, reader, and her part of the entertainment was received delightfully. Miss Riley is a very good reader and, although her subjects were more or less difficult, she at all times was equal to the demands of the piece. About the best number by the quartette and one which was received the most enthusiastically was "Annie Laurie." Some of the pieces the quartette used in responding encores were very good. The three sacred numbers were beautifully. Miss Riley's best readings were "Christmas Eve in a Mining Camp" and "Old Mistis." Miss Riley is exceptionally good in the reading of child parts and is also strong in the dramatic. The chapel was crowded to its utmost capacity.

## Entertained by Miss Ellis.

Miss Elsie Ellis charmingly entertained a large number of her young friends Friday evening at her home on Main street, the occasion being her sixteenth birthday. The two front rooms were thrown open and the guests conversed in these rooms during the evening. Some played flinch. After two hours of conversation, a most delectable supper was served in two courses, the first being a meat and salad course and the second consisting of brick cream and several kinds of cake. Miss Ellis was the recipient of many pretty gifts.

Don't wait, but get an overcoat at Grats Bros.

Having been solicited often to serve chills I have decided that I would again make it. So for a dish of home-made chilli-con-carni call on Mrs. L. E. Mark.

## Women Inclined To Constipation

Great Care Should Be Taken Not to Use Violent Cathartics

Women, owing to their peculiar functions, are more or less liable to constipation and many of them owe their continued ill health to the pill habit. A well known physician lays the majority of cases of foul breath, bad complexion, disordered stomach, sick headache and female weakness to constipation and the constant use of violent cathartics to overcome it.

We believe women will be glad to learn of a safe reliable bowel and stomach remedy that is pleasant to take and that the first few doses will certainly produce natural daily movements without pain or gripe and in a short time establish a permanent cure. It is so effective it has cured cases of 60 years' standing and yet so mild and safe thousands of mothers give it to their babies. Jennie Gresham, Nashville, Tenn., says: "I suffered almost death with torpid liver and indigestion and Dr. Caldwell's Syrup Pepsin gave me quick relief." Sister M. Berchmans, of Mt. St. Mary's Academy, Oklahoma City, says: "We have found Dr. Caldwell's Syrup Pepsin satisfactory as a gentle laxative and stomach tonic." Mrs. Myrtle Mather, Chicago, says: "My daughter was troubled since birth with constipation and sick headache. Dr. Caldwell's Syrup Pepsin cured her." Mrs. W. M. Powers, New Philadelphia, Ohio, says: "It is the best remedy for constipation and stomach trouble I have ever used." Mrs. R. H. Brown, Addington, Okla., says it gave her prompt relief from constipation and torpid liver. Mrs. Isabella Wheeler, Freetown, Ind., says: "Twenty-three years ago I was taken with stomach trouble. Three years ago I had become so weak I could hardly walk. I took Dr. Caldwell's Syrup Pepsin and today am as well as ever." Druggists sell it at 50c and \$1.00 per bottle.

We are glad to send a free sample to any one who has not used it and will give it a fair trial. Address Pepsin Syrup Co., 408 Caldwell Bldg., Monticello, Ill.

## A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for easy coughs, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

We publish our formulas. We banish alcohol from our medicines. We urge you to consult your doctor.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick-headaches, they cannot be excelled. Ask your doctor about this.

Made by the J. C. Ayer Co., Lowell, Mass.
